

U.S. AIR FORCE BASTED ENEMY

SEVENTY-SEVEN JAP AIRCRAFT SHOT DOWN BY AMERICAN PLANES

ONE OF GREAT AIR BATTLES OF PACIFIC FOUGHT NEAR GUADALCANAL

By JOHN M. HIGHTOWER
WASHINGTON, June 17.—(AP)—In one of the great air battles of the Pacific, American planes shot down 77 Japanese aircraft over Guadalcanal Island Wednesday while losing six of their own number, the navy announced today.

Never before had the enemy's air losses in the Guadalcanal area been so heavy. The 77 total was almost exactly twice that of the Japanese losses last April 7 when 39 enemy craft were destroyed during a single raid.

A navy communiqué said that a brief report received from the South Pacific revealed that in an air battle over Guadalcanal on June 16 United States planes shot down 32 Japanese bombers and 45 zero fighters. Six United States planes were missing.

No further details have been received, the communiqué concluded.

The description of the American planes as "missing" suggested that some of them, or at least some of their pilots, might turn up later.

Thirteen to One Score

The 13 to one score turned in by American combat fliers in the Solomons, who have in the past included army, navy and marine pilots, was one of the best, possibly the best, ever recorded in a single action.

In the action of April 7 the Japanese attacked shipping at Guadalcanal with 98 planes, including 50 bombers, and while they lost 33, American losses were three ships and seven planes. Only two American pilots failed to return from their crashed craft, however.

The latest raid in the Guadalcanal area prior to Wednesday's action was on last Saturday when the Japanese sent a force of 40 to 50 fighter planes into the vicinity of the Russell Islands, American air base territory lying immediately north of Guadalcanal. Their move then appeared to be aimed at winning aerial supremacy by overwhelming American fighter plane forces and driving them from the skies, thereby laying American ground installations open to a smothering assault. As it turned out the Japanese had 25 planes definitely shot down and eight probably. American losses were six planes and two pilots.

Japs Return to Old Tactics

The make-up of the enemy force in the Wednesday battle suggested that the Japanese had returned to their earlier tactics of fighters escorting bombers, after their Saturday.

MAJOR LIVESTOCK MARKETS WATCHED ON SUBSIDY PLANS

GOVERNMENT DISCLOSES DETAILS OF SUBSIDY PAYMENTS PROGRAM

CHICAGO, June 17.—(AP)—Packers and commission dealers today watched with interest the effect on business at the nation's major livestock markets following disclosure by the government of details of subsidy payments accompanying the scheduled rollback in retail meat prices.

Speakers for packers and dealers asserted that the recent slowdown in activity at the stockyards here and in other major centers was due to the uncertainties of the terms of the subsidy payments to packers to compensate them for the rollback, which seeks to cut consumer prices 10 per cent. The new retail prices become effective next week.

The payments, to be made monthly and to apply to livestock slaughtered beginning June 7, will be 11 cents per pound for cattle and calves; 13 cents per pound for hogs and pigs; and 9.5 cents per pound for sheep and lambs. Some packing company spokesmen said preliminary calculations indicated the payments would not compensate fully for the reduction in resale prices.

Charles Rice, president of the Chicago Livestock exchange, said the price rollback might cause an even greater scarcity of beef in the regular commercial channels than he said now exists. The war meat board has declared that the nation's armed forces are in "critical need of beef." The board met again yesterday, continuing their study of facilitating the operation of the nation's meat program.

Prices of both cattle and hogs weakened in yesterday's slow trade and at the close of business, some 4,000 hogs and 1,000 head of cattle remained unsold. Cattle arriving at 20 leading livestock centers totaled 29,000 head, the smallest for June in the last 15 years. Receipts for the corresponding day last week were 51,000 head.

Military Court Inquiry Called Into Race Riots Prevailing In Beaumont

BEAUMONT, June 17.—(AP)—Martial law authorities called a military court of inquiry this afternoon into race riots which had resulted in the deaths of two persons, injury to scores, and extensive property destruction in the negro section.

Meanwhile, city authorities suggested that the riots were inspired by fifth columnists rather than by racial friction which had been attributed to molestation of several white women by negroes.

Chief of Police Ross Dickey said "there had been rumors of fifth-column activities here and we had been checking up on them."

City Attorney Albert Tatum Said an Investigation Had Cast Doubt on the Validity of a White Woman's Story That She Had Been Criminally Assaulted by a Negro While Her Husband Was Away at Work

Tatum said a physician's examination had opened the case to question. A posse which sought the suspect had dispersed in the excitement of widespread rioting here Tuesday night.

OPPOSITION GROUPS IN AXIS DOMINATED NATIONS ARE BOLDER

GENERAL REPORTS OF DISSATISFACTION AMONG GERMAN SATELLITES

By STEPHEN BARBER
CAIRO, June 17.—(AP)—Increasing resistance by opposition groups in Axis satellite countries of southeastern Europe, a situation which Nazi authorities apparently are handling with unusual liberality, was reported today in information reaching Cairo.

Underground leaders in collaborationist Rumania and Bulgaria are becoming more and more outspoken, it was said, and in Bulgaria, where many elements have strong ties with the Soviet Union, there has been a resurgence of the old "mother Russia" sentiment.

The extent to which disaffected groups in Rumania are permitting themselves to give voice to a smoldering discontent was indicated in a recent speech by Baron Manfred Von Killinger, German minister to Bucharest.

"We laugh at all these dwarfs," he declared, "these anti-Germans, these traitors, these cowards, these talkative loafers, Jews, pro-Jews and those who are servants of Jews."

Some quarters here expressed the view that the various underground movements may be moving too fast for their own good, for German technique frequently has been to allow the opposition sufficient rope to hang itself.

These reports of dissatisfaction within the satellite countries were highlighted by a roundabout report yesterday through Turkey that Rumania was sounding out the Allies on what she might gain by withdrawing from the war.

Rumania Would Bargain
(Semi-diplomatic sources in Ankara said Rumania had approached Allied authorities through a neutral diplomat and suggested that Rumania might be willing to negotiate with the Allies if Germany in Russia if Rumania were allowed to keep at least parts of Bessarabia and Bukovina both claimed by Russia.

In a broadcast recorded by the Associated Press, the minister of the Berlin Boersenzentrum, the German newspaper, said that the German government was willing to negotiate with the Allies on what she might gain by withdrawing from the war.

SECRETARY STIMSON GIVES REVIEW U. S. RECENT LOSSES

WASHINGTON, June 17.—(AP)—Secretary of War Stimson disclosed today that 85, possibly 104, German fighter planes were destroyed by American and British fliers raiding Wilhelmshaven and Cuxhaven last Friday.

In those raids, in which he asserted heavy damage was caused to enemy industrial areas, the Secretary added that eight Flying Fortress were lost. Preliminary reports had placed the Nazi air losses at 54 craft.

Stimson also reported that the capture of Pantelleria, Lampedusa and two other small Mediterranean islands cost "only about 40 airmen and a few planes." He said "substantial numbers" of axis prisoners were taken at Pantelleria; they totaled 11,135 and at Lampedusa "between 4,000 and 5,000."

Discussing allied raids on Kiel and Bremen in which he said "damage believed very heavy" was inflicted on the enemy, Stimson reported that 24 Flying Fortresses were lost instead of the originally announced 26. He explained that two of the big bombers originally reported lost returned to their bases safely. Those raids, he added, accounted for 65 enemy fighters.

WAR AT A GLANCE

HEAVILY BATTERED COLOGNE WAS AGAIN BOMBED LAST NIGHT

OTHER RHINELAND OBJECTIVES TARGETS OF AERIAL OFFENSIVE

LONDON, June 17.—(AP)—Heavily battered Cologne and other objectives in the Rhineland were the RAF's targets last night as the current aerial offensive against Germany continued.

At the same time, the air ministry announced, RAF fighters attacked transport and other targets in Holland and Belgium.

Fourteen bombers, and one fighter were declared to be missing from the night's operations.

The air ministry also announced that RAF Hurricanes and Typhoons tore into a three-ship enemy convoy early today off the Netherlands and damaged all of them, one so severely it was stated she probably had been sunk. The planes suffered no loss and left all the ships smoking from bomb hits and bullets.

Col. Sidney C. Mason, Commanding State Troops and Enforcement of Martial Law Here, Said a Military Court of Inquiry Would Be Held for Whites and Negroes Suspected of Having Participated in the Riots

Three Hundred Jailed.
City officers said about 300 men were held in jail. They were to be brought before the military court for hearing. Evidence deduced there, Col. Mason said, would be the basis of recommendations to civil authorities.

Local draft board officials, too, will sit in on the hearing because, Colonel Mason explained, "the draft status of some of the persons involved may have changed recently."

The negro section of Beaumont "has been literally stomped into the ground" during the disturbances, according to Col. Mason.

"From a destructive standpoint, it equals the Meuse-Argonne sector of the first world war," added Col. Mason, a veteran of martial law enforcement in Texas.

2,400 Officers
Col. Mason's comment on the damage was made as this southern Texas city of more than 100,000 persons awoke today under the watchful eye of some 2,400 peace enforcement personnel under his command.

The city had its first undisturbed sleep in two days after rioting which started late Tuesday night had taken the lives of one white man and one negro.

Bus transportation resumed today and most retail establishments were again open for business.

Col. Mason said he planned to request that all schools be reopened. Some establishments had closed because of lack of help after negroes were ordered off the streets. Others closed to keep crowds from congregating.

Under Iron Guard.
Defense Guardsmen, Texas Rangers, and local law officers had the city under an iron guard during the night. Numerous arrests were made for violation of the curfew.

FINANCES FOR OWI AND OPA TO BRING BATTLE IN HOUSE

WASHINGTON, June 17.—(AP)—A battle over the 1944 financial allowances for the Office of War Information (OWI) and the Office of Price Administration (OPA) shaped up today as the House of Representatives opened debate on the \$2,921,441,504 appropriations bill carrying funds for 18 governmental war agencies.

Republican lawmakers privately served notice they would attempt to slash the allocations of both war-bureau budgets, and possibly others. Republican and democratic legislative spokesmen conceded that the argument over the omnibus fiscal measure might stretch to the point where it could interfere with a summer recess scheduled to start July 10.

The house awaited arrival late this week of a \$72,000,000,000 appropriation measure for the 1944 War Department expenses, a record-smashing bill calling for twice this country's entire outlay for World War One.

The house yesterday passed and sent to the senate a \$1,068,059,499 supply bill for the Labor Department and the Federal Security Agency and the War Manpower Commission, after refusing a \$3,000 salary increase for Manpower Commissioner Paul V. McNutt.

CLASHES REPORTED ON SMOLENSK FRONT OF RUSSIAN LINE

LONDON, June 17.—(AP)—Clashes between scouting parties on the Smolensk front, indicating new stirrings in that long dormant sector, furnished the principal action last night on the German-Russian battlefield, the Soviet news communiqué said today.

The war bulletin, recorded by the London Soviet radio monitor, was silent on fighting above and below Orel, where sizeable opposing armies were reported to be massing in activity which had hinted portended a major offensive.

The Paris radio, in a broadcast recorded by the Associated Press, quoted a Berlin military spokesman as saying:

"The Soviet summer offensive will begin in a few weeks' time. Berlin quarters expect the offensive will start on the central front where the Soviets are massing strong forces."

Continued Soviet local attacks in the Orel sector also point to the fact that the Soviets are intending to use the central front as the starting point of their offensive.

The German high command, in its daily communiqué, spoke only of local fighting activity yesterday on the eastern front.

There was no mention of action in the Smolensk area announced in the Russian communiqué.

TURKEY IS BELIEVED TO HAVE PICKED HER WINNER IN PRESENT WAR AND IS WARMING TO ALLIES

By MAX HILL
Turkey has picked her winner in the war. There no longer can be any doubt that she has climbed down off the diplomatic fence and decided the United Nations are the best bet.

Two years ago Turkey would not have dared treat the axis with such chilling scorn as Premier Suhr Saracoglu did yesterday. He expressed warm friendship for America, Britain and Russia, and their aims in the war. His remarks concerning Germany were tepid and restrained, to say the least.

Turkey hasn't even voiced a technical protest over the closing of the Syrian border, a move which was said by British embassy sources in Ankara to be necessary to shield troop movements.

It is known that both Britain and America have great quantities of war materials and large armies in India, not too far away. This latest development is a definite threat to Hitler's vital oil supply in Rumania, and the un-

KING GEORGE VI IN AFRICA AS INVASION REPORTS GROW—King George VI of Great Britain is visiting his forces in North Africa—a trip spotlighting increased reports of invasion from one end of the Mediterranean to the other. LaLinea, Spain, reports said an Allied convoy was at Gibraltar. The broadcast said a great invasion fleet was massing. Semi-official Ankara sources said the Allies closed the Syria-Turkey frontier. Allied bombers continued to pound Sicily.

NAVY'S AGREEMENT WITH STANDARD OIL DECLARED ILLEGAL

ASSISTANT ATTORNEY GENERAL SAYS IT VIOLATES ACT OF 1938

WASHINGTON, June 17.—(AP)—The navy's agreement with Standard Oil company of California for developing the Elk Hills oil reserve was termed "illegal and invalid" today by a Justice Department official who said it violates a 1938 Petroleum Conservation act.

This description came from Norman Littell, assistant attorney general, at a house public lands committee hearing in which Rep. Elliott (D-Calif.) said the deal had "something of the inkling of the Tea Pot Dome scandal of some years ago."

The contract provided for navy purchase of company land and equipment in the rich California reserve field, and authority for the company to withdraw a specific amount of oil from the field's show area.

The act of 1938 to which Littell referred empowers the Secretary of Navy to provide for conservation of naval oil reserves and for the exchange of naval lands in the reserve with property owned by oil companies there.

KING GEORGE SEES VARIOUS FIGHTING UNITS NORTH AFRICA

VISITS AMERICAN ARMY AND NAVY ALONG WITH BRITISH FORCES

By REILMAN MORIN
Representing the Combined United States Press
ALLIED HEADQUARTERS in North Africa, June 16.—(Delayed)—Having visited the American Army in training for invasion of Europe and sampled American field rations on the first two days of his North African tour, King George VI of England got around yesterday (Tuesday) to inspecting units of the combined British and American fleet in the Mediterranean and meeting the war correspondents who cover the rout of the axis in this theater.

For more than an hour the British monarch, who flew to North Africa on Saturday, walked slowly up and down a vast space crowded with detachments of sailors and marines.

Accompanying the King as he inspected the fighting men were two American officers, Vice Admiral H. K. Hewitt and Rear Admiral J. L. Hall.

The King then went aboard a large American warship and reviewed the personnel.

Next he went to a British warship, where more than 30 American and British correspondents were drawn up to meet him.

Each correspondent introduced himself, and from time to time as the King walked down the line of newsmen his face lighted up and he exclaimed, "I know your name very well. I have read many of your dispatches."

Leaving headquarters on Monday morning, the King spent nearly a full day with an American Army where he met Lieut. Gen. Mark W. Clark, commanding general of the U. S. Fifth Army, Lieut. Gen. L. W. Hall.

Aikin Is Acting Governor of Texas

AUSTIN, June 17.—(AP)—It's Gov. A. M. Aikin, Jr., today.

Aikin, senator from Paris and president pro tempore of the State Senate, is serving as chief executive in the absence from the state of both Gov. Coke R. Stevenson and Lieut. Gov. John Lee Smith.

Stevenson is en route to Newport News, Va., and Washington, D. C.

The veteran Lamar county legislator and Mrs. Aikin arrived in Austin yesterday and will reside in the governor's mansion during their stay.

French National Committee Reach Agreement Today

ALGIERS, June 17.—(AP)—Thirteen members of the French National liberation committee, with Gen. Henri Giraud presiding, reached an agreement at an 80-minute meeting today on procedure and collective responsibility, it was announced.

Rene Massigli, commissioner of foreign affairs, informed the first plenary session of communications received from other governments concerning recognition of the committee as the provisional government of the French empire.

The committee began the first steps toward the creation of a "consultative assembly."

It was also announced that an exchange of views had taken place on the problems concerning the organization of French military forces, one of the principal causes of friction between Giraud and Gen. Charles de Gaulle.

One committeeman told the press "everything went admirably—an absolutely democratic institution has now been born."

He said the six commissioners

DESPITE CONSTANT BLASTING JAPANESE BUILD UP AIR FORCE

NEW BRITAIN AND NEW GUINEA AIR BASES BEING AUGMENTED BY ENEMY

ALLIED HEADQUARTERS in Australia, June 17.—(AP)—Despite the destruction caused by 200 tons of Allied bombs in eight recent raids, the Japanese persistently are building up their air might at Rabaul, New Britain, and New Guinea, as well as in the Northern Solomons.

This was disclosed today in a study of photographs taken of the airbases by Allied reconnaissance planes.

Rabaul's airbases, particularly the Lakunai field, have been pounded with 135 tons of bombs in four raids, starting a week ago. In each case, the returning bomber crews reported large fires, some apparently burning planes.

At Wewak, on the north coast of New Guinea, 450 miles northwest of Rabaul, more than 1,000 miles from Australia, in which Allied planes dropped 16 tons of bombs among parked planes. Some fires started could be seen 50 miles away.

For the second straight day, Japanese planes struck yesterday at villages with emergency landing fields 90 miles northwest of Lae, New Guinea. Six bombers and six fighters made the raid. Three other enemy planes raided weakly the Buna sector on New Guinea's Papuan Peninsula.

New River Craft Destroyed.
NEW DELHI, June 17.—(AP)—A U. S. medium bomber destroyed six medium-sized river craft in Japanese service on the Irrawaddy near Mandalay yesterday and wrecked or damaged five large

BEST COMPARATIVE SCORE OF WAR CAME FROM GUADALCANAL

STIMSON ALSO REPORTS AMERICAN BOMBERS DOWNED MANY GERMANS

WASHINGTON, June 17.—(AP)—Thirty-two Japanese bombers and 45 zero fighters were shot down over Guadalcanal Wednesday, the navy reported today, and the loss of six American planes represented perhaps the best comparative score of the war.

Another good score was reported elsewhere, by Secretary of War Stimson who said revised figures showed that 85, possibly 105 German fighter planes were destroyed by British and American fliers in raids at Wilhelmshaven and Cuxhaven in Germany last Friday. Eight Flying Fortresses were lost in the destructive attacks.

A home front development came on Capitol Hill where the navy's contract with the Standard Oil company of California for developing the Elk Hills naval oil reserve was termed "illegal and invalid" by Norman Littell, assistant attorney general.

Littell so described the deal at a house public lands committee hearing at which Rep. Elliott (D-Calif.) suggested that the agreement has "something of the inkling of the Tea Pot Dome scandal of some years ago." Littell held that the deal violated a 1938 conservation statute.

RAF MALTA-BASED MOSQUITOES CARRY BURDEN OF ATTACK

BAD WEATHER HALTED FORAYS BY AFRICA-BASED HEAVY BOMBERS

By NOLAN NORGARD
ALLIED HEADQUARTERS in North Africa, June 17.—(AP)—Malta-based Mosquitoes carried the burden of the allied air offensive against Sicily yesterday as bad weather completely halted forays by the Northwest African bombardment squadrons for the first time in more than two months. It was disclosed today.

Yesterday's attack was a swift, low-level raid on the island of Sicily, the swift plywood craft attacked railway lines, bridges and military hut camps last night, a Valletta communiqué announced.

The great fleet of American heavy and medium bombers was grounded and official reports said only routine patrol and reconnaissance flights were possible during the day. The full followed heavy as a low-level raid on five enemy airfields in Sicily.

Railway sidings and the dock area of Termini-Imerese, a seaport on Sicily's north shore, were blasted with bombs and cannon fire by the Mosquitoes. Among a soft down, other targets were railway bridges and stations in southern Italy.

A destroyer escorting an axis convoy was shot up, causing a brilliant flash astern, and a minesweeper was raked by barbed wire and other targets were hit.

More Planes Downed.
A headquarters announcement today added five enemy aircraft to the 16 previously reported shot down during the extensive forays to Sicily on Monday night and Tuesday by swarms of Flying Fortresses, Wellington bombers and other smaller bombers and fighters.

Yesterday's patrol and reconnaissance flights were carried out without loss, the announcement said.

Once again, long range RAF fighters sallied out from their Mid-

SPECTACULAR SCORE OF THIRTEEN TO ONE AGAINST JAPANESE

ANOTHER FLEET RAF BLOCK-BUSTER RAIDERS SMASHED AT COLOGNE

By ROGER GREENE
Associated Press War Editor.
American fliers rang up a spectacular score of 77 Japanese planes shot down in a great sky battle over Guadalcanal Island in the Pacific, the Navy announced today while in Europe another big fleet of RAF block-buster raiders heaped destruction on the German war foundries city of Cologne.

A Navy bulletin said U. S. combat fliers scored 13 to 1 against the enemy, lost six planes in the battle over Guadalcanal yesterday.

The total of 77 Japanese planes shot down—the heaviest loss ever suffered by the enemy in the Guadalcanal area—was almost twice as many as the Japanese lost in their last bitter defeat there on April 7, when 37 out of 98 Japanese planes were destroyed.

The Navy said 32 Japanese bombers and 45 zero fighters were blasted out of the skies in yesterday's battle, thus indicating that an enemy force of several hundred aircraft made the attack.

No other details were immediately available.

A Navy communiqué reported that U. S. Navy bombers operating at far extreme of the Pacific war theater bombed the Japanese on New Georgia Island in the Solomons and on Kiska Island in the Aleutians.

Object Many Raids.
The raid on Germany's Rhineland industrial city of Cologne, target of the first 1,000-bomber allied assault, was the 15th of the war.

By daylight, allied planes carried on the round-the-clock offensive across the English Channel and destroyed six axis fighters against a loss of one RAF aircraft.

Fourteen RAF bombers and one fighter were listed as missing in the night's operations.

In the Mediterranean, allied long-range fighters attacking from bases in the Middle East sank three more enemy ships in the Aegean Sea, while the mass of Lieut. Gen. Carl A. Spaatz' Northwest Africa air force took a day off after violent assaults Tuesday on five axis airbases in Sicily.

Swift RAF Mosquito bombers from Malta continued to blast Sicily and Southern Italy during the night—pouring cannon and machine-gun fire into road transports, rail targets, bridges and military hut camps.

Destroyer escorting a convoy was gunned, causing a brilliant flash astern, the British announced.

Withdrawing Island Troops.
Moscow broadcast said Premier Mussolini's high command had started withdrawing demoralized Italian troops from Sicily and Sardinia.

COOPERATION IN YMCA CAMPAIGN IS APPRECIATED

N. Suttle Roberts, president of the Corsicana YMCA, issued the following statement Thursday:

"In behalf of the board of directors of the Corsicana YMCA, I wish to express to the Daily Sun, to the workers who assisted us in our recent membership campaign, and to the loyal supporters who made the campaign a success, my appreciation for their fine co-operation."

"Few campaigns in the history of the YMCA have been more successful than the one just completed, and though we did not reach our goal, we came very close to it."

"At a time when most of us agree that young people need more wholesome recreation than under normal conditions, we are glad to report that the facilities of this institution are being used by more people than have taken advantage of the opportunities it offers at this time for many years."

RESISTANCE

CONTINUED FROM FIRST PAGE

declared, however, that Rumania "this time has clearly recognized her true historic mission."

(Declaring the Atlantic front "may be considered impregnable," this commentator said the "there remains in the enemy press one hope of possible attack—in southeastern Europe." He asserted this hope is vain because the Balkans have been made a bulwark.

(This broadcast was one of several German statements betraying concern over the possibility of double Allied assaults in the Mediterranean, a plan of campaign that was pointed up by confirmation in Ankara yesterday that the Turkish-Syrian frontier had been closed "to protect troop movements" on the Syrian side. This area would provide a base for striking into southeastern Europe.)

Hungary May Also Quit

Reports reaching here indicate that Hungary is laying plans to abandon Hitler's "new order" if the necessity arises.

Recent suspension of the Budapest parliament, earlier believed due to increasing leftwing agitation, now is thought to have been ordered by the government of Premier Nicolas Kallay to check possible question on the subject of Kallay's recent secret talks in Rome. These talks were thought to have mapped out a common Italian-Hungarian policy in the event of an Axis breakup.

The assassination in April of Col. Athanas Pantef, former Bulgarian police director who once took severe measures against the Jews, and the simultaneous slaying of other officials were viewed as the immediate results of a newly-formed underground movement whereby agrarians and democrats formed a united front with the extreme left against the forces of King Boris.

EAT SALADS—AND LIKE 'EM!

PICNIC POTATO SALAD: Backbone of the meal.

By MRS. ALEXANDER GEORGE
Associated Press Food Editor.

One good way to make your family want to eat the nutritious foods they ought to eat is to have a tempting main dish salad.

Fresh vegetables coming into the market or coming from your own garden now provide plenty of taste-enticing and vitamin-rich ingredients for a variety of salads. A main dish salad saves ration stamps besides eliminating a lot of cooking fuss and fuel for the busy homemaker.

First pickings from the garden are just right for JUMBLE SALAD. To serve 4 or 5, mix together 1 cup thinly sliced fresh radishes, 1-2 cup sliced spring onions, 2 cups diced cooked asparagus, 1-2 cups shredded lettuce, 1-2 cup salted peanuts and 1-4 cup French dressing. Chill for an hour or longer. Press 2 cups cottage cheese (rather thick) into a bowl, rinse out of cold water, mix together 1 cup mayonnaise and 1-4 cup French dressing. Chill for an hour or longer. Unfold in center of a platter or shallow dish. Surround with rest of ingredients. Pass more dressing. Open this salad with a fork and a knife. Spoon each chopped onion, a piece of cucumber and a piece of radish with a fork. Spoon each piece of cucumber and a piece of radish with a fork. Spoon each piece of cucumber and a piece of radish with a fork.

Eggs keep up the protein end in SALISBURY SALAD. Chop 2 meat steaks are needed. To serve 3 or 4 mix together 3 hard-boiled eggs, diced, 1-2 cup diced celery, 1 cup cooked green beans, 1 tablespoon each chopped onion, green peppers and parsley, 1-4 teaspoon salt, 1-8 teaspoon paprika, and 1-3 cup boiled salad dressing or mayonnaise. Chill and serve on crisp lettuce leaves.

The assassination in April of Col. Athanas Pantef, former Bulgarian police director who once took severe measures against the Jews, and the simultaneous slaying of other officials were viewed as the immediate results of a newly-formed underground movement whereby agrarians and democrats formed a united front with the extreme left against the forces of King Boris.

INTERNATIONAL

CONTINUED FROM FIRST PAGE

dinia "under the pretext of regrouping its forces."

Dispatches from La Linea, Spain, again reported a big-scale massing of allied ships at Gibraltar, declaring that 75 vessels including a battleship, two aircraft carriers and 10 destroyers were lying off "the rock."

Other war headlines:

Invasion Jitters—Berlin broadcast betrays nervousness over possible allied invasion of Balkans; Ankara confirms sealing of Turkish-Syrian frontier "to protect troop movements" in Syria; Rumania, Hungary reported angling to quit axis.

Peace Parlay Branded as Lie. German Peace Feeler—Soviet minister to Sweden, brands talk of German-Russian peace parlay as "German propaganda lie."

Italy—Premier Mussolini counsels six more fascist national councilors in continuing shakeup. London hears Italian frenziedly applauded every mention of peace in address by Pope Pius XII.

Russia—New flashes flare on long-quiet Smolensk front. Southwest Pacific—Gen. MacArthur's bombers fly more than 1,000 miles to blast Japanese base at Kendari, Dutch Celebes; Japanese reported building up air strength in New Guinea, New Britain and northern Solomon.

Burma—Allied bombers pound five Japanese bases.

Invasion Spotlight Shifts. In the European theater, while Rome and Berlin rang the changes on prospects for the "zero hour" approaching for an allied invasion, the spotlight shifted momentarily from Sicily, Sardinia and Italy to the Eastern Mediterranean and the Balkans.

An Algerian broadcast reported that Turkey, still neutral but recently swinging toward the allied camp, had broken off diplomatic relations with the pro-Nazi government of France.

The Algerians reported lacked immediate confirmation, but Berlin asserted yesterday that Britain was trying to bring Turkey in on her side.

From other widespread sources came a flurry of reports that major events were brewing in the Balkan-Middle East arena.

To Reorganize Rumania. A Moscow broadcast said Ernest Kaltenbrunner, chief of German security police, had been hurriedly sent to Rumania to reorganize the police there, and declared that the atmosphere in Bucharest, the Rumanian capital, was "very tense." Many Rumanian political leaders were said to be in hiding.

An Ankara report yesterday said Rumania had sent out peace feelers to the allies.

Cairo heard that Hungary was also preparing to abandon Hitler's "new order" if the necessity arises.

A Berlin broadcast acknowledged that the allies had "one hope of possible attack—in southeastern Europe," but asserted that "an invasion will prove a blood bath without precedent" and that "two-thirds of the landing force will be wiped out even before a decisive battle has been joined."

Say Atlantic Wall Impregnable. As for Hitler's vaunted Atlantic wall stretching thousands of miles from Southern France to Norway, the Nazi radio boasted it "may be considered impregnable."

In the Russian campaign, Soviet headquarters reported a series of clashes on the long-dormant Smolensk sector, west of Moscow but on the whole the 1,500-mile battlefield remained strangely quiet.

Latest reports indicated that the summer battle, when it starts, will center in the Orel region, 200 miles south of Moscow, where both the Germans and Russians have been massing vast armies and supplies for weeks.

From Orel, Hitler might strike east to swing around Moscow and lop off the deep Russian salient now pressing against Germany's Baltic defenses at Velikie Luki.

Rev. and Mrs. R. Otis Sory are in Dallas today to attend Pastor's School now in session at Southern Methodist University.

BEAUMONT

CONTINUED FROM FIRST PAGE

order which took effect at 8:30 p. m. (CWT) which barred all persons not having essential business from the streets.

While the Defense Guard was largely from sections within 100 miles of the city, State police were sent here from as far away as Dallas, Fort Worth and Wichita Falls. The destruction in the negro section, Colonel Mason explained, included the burning of up to 20 negro houses and establishments, and the wrecking of a beer parlor, in which windows were shattered and furniture broken.

Highway Blocked.

Last night road blocks were put in place on highway entrances into the city, the military evidently planning to meet any influx of would-be demonstrators from nearby cities. No such instances occurred, police reported.

Today the city resumed normal life, street cars and busses operating on schedule. Negroes made up the demonstrators who reappeared on the streets and other negroes went about their businesses.

This reversion to normality followed the overnight quiet. Last night the streets were virtually deserted. Most stores and cafes were closed and services of many kinds were not available to the public. The police station was under close guard, and barred-wire was strung in the street facing the main entrance.

Two Rapings Cause.

The disturbances were generated by two alleged rapings attributed to negroes. About a week ago a white telephone operator reported to police that a negro, later fatally shot by officers, attacked her near a warehouse.

In the second case a housewife, mother of three, told police that a negro yardworker attacked her after she had hired him to work at her home.

Crowds of white men surged into the negro section. The riots started Wednesday morning were followed by a declaration of martial law last night. Today the city was swarming with militia in uniforms.

White Man and Negro Dead.

The dead were Ellis Cleveland, 34, cup diced celery, 2 sliced cooked frankfurters, Romaine or other salad greens, 2 teaspoons salt, 1-2 teaspoon pepper, 1 cup real mayonnaise, 2 sliced hard-boiled eggs, whole radishes. Lightly toss together potatoes, scallions, celery, frankfurters, seasonings, and mayonnaise. Chill in refrigerator. Arrange on salad greens in wooden bowl. Garnish with egg slices and radishes. Serves 6.

Picnic Potato Salad.

4 to 5 cups diced cooked potatoes, 1-2 cup sliced scallions, 3-4 cup diced celery, 2 sliced cooked frankfurters, Romaine or other salad greens, 2 teaspoons salt, 1-2 teaspoon pepper, 1 cup real mayonnaise, 2 sliced hard-boiled eggs, whole radishes. Lightly toss together potatoes, scallions, celery, frankfurters, seasonings, and mayonnaise. Chill in refrigerator. Arrange on salad greens in wooden bowl. Garnish with egg slices and radishes. Serves 6.

vegetables makes enough to serve four.

As soon as tomatoes are abundant in your section get busy on BANCROFT TOMATO SALAD. It will provide a nutritious and colorful main dish salad. Chop 4 peeled, firm, ripe tomatoes. Invert and fill. Just before serving, mix with the following filling: 1 cup shredded cabbage, 1-2 cup diced green beans or asparagus, 1 tablespoon minced onion, 1-2 cup chopped green or ripe olives, 1-3 cup nuts, 1-4 teaspoon salt, 1-8 teaspoon pepper and 4 tablespoons mayonnaise.

Several scores of persons had been arrested before martial law was declared. No charges had been filed against these persons early today. They were still held in jail.

We will file charges after we get time to study the reports," said Police Chief Ross Dickey.

In addition to the guardsmen, who came from Port Arthur, Houston, Liberty, Conroe, Livingston, Nacogdoches, Lufkin and Baytown, there about 100 state officers on duty, including Texas rangers.

Col. Mason announced that the curfew would be put into effect again tonight if the situation warranted.

Traffic from Orange, Port Arthur and Port Neches was again entering the city after having been prohibited during the night.

City Out of Bounds.

Military personnel were forbidden by Major Gen. Richard Donovan, commanding the Eighth Service Command, to enter the city. Military police were enforcing the curfew and the out of bounds order.

The rioting disrupted the normal life of the city; bus transportation had been stopped, intercity buses routed around Beaumont where they carried negro passengers and virtually all delivery services abandoned.

Warworkers at shipyards left their work in large numbers, some to participate in anti-negro demonstrations and others to go home and watch over their families. About 700 shipyard workers left their employment in Orange to return to their homes in Beaumont.

Negroes employed at the Pennsylvania shipyard were escorted home by defense guardsmen at the height of the rioting.

A shipyard official said white workers "mostly went home to protect their families. They will be back now that martial law has been declared and they have assurance that their wives and children have protection."

A mob gathered yesterday morning in a new thrust to the north, east to swing around Moscow and lop off the deep Russian salient now pressing against Germany's Baltic defenses at Velikie Luki.

Rev. and Mrs. R. Otis Sory are in Dallas today to attend Pastor's School now in session at Southern Methodist University.

Information From Navarro County Rationing Board

Blue stamps N, P and Q are to be valid from July 1 through August 7. The usual overlapping period of stamps will be through July 7, during which time both series K, L, M, and N, P, Q may be used by the consumer.

To replace the flat ceiling price of \$1 for women's silk combination hosiery which has been in effect for some time, OPA has issued a new set of prices ranging from 79 cents for 12 pair gauge (39 gauge and lower), to \$1.25 for the finer gauges (51 gauge and higher). Corresponding sets of prices are established at the wholesale and manufacturing levels. These changes were made by amending MPR 275 and MPR 95.

A total of 509 criminal prosecutions for violation of gasoline rationing were instituted by OPA's enforcement division through April 30, 1943, OPA announces.

Members of the sugar panel, Navarro County Rationing Board, reminded possessors of ration books that belonged to deceased persons to turn them in to the board immediately.

by the white woman as her attacker continued today.

The white woman, who told that plans for the celebration of June 19 as negro emancipation day be abandoned, and the order was made a part of the martial law decree.

Governor Confident

(At Texarkana, Governor Stevenson, on his way to Washington, said last night, "I feel confident that my aides can cope with the riot in Beaumont."

"(They can do anything I could do," the governor declared. He expressed "full confidence" in Homer Garrison, Jr., director of the state department of public safety, and Adjutant General Arthur Knickerbocker.

"I talked with Colonel Garrison when my train stopped in Longview, and he said he believed the situation was in hand," he said. "I told him he was at liberty to send in as many highway patrolmen as he deemed necessary, and also that he could use his judgment in ordering rangers to Beaumont."

Stevenson expressed the opinion that fear rather than necessity prompted the request for a declaration of martial law after Beaumont officers became alarmed at rioting.)

Harvey Named Head Of Lions Governors

Fred H. Harvey, Jr., Corsicana, has been named chairman of the Lions board of governors at the state conference held in Austin, according to information received here Thursday from R. Roy Keaton, Lions state secretary.

Harvey, president of the Corsicana Lions club, recently was elected governor of District 2-X at the district conference held in Corsicana. There are five districts in Texas Lionism.

FRENCH

While Massigli told the committee of the communications received from various governments on recognition of the committee, it was not specified which government had already dealt with him. Both Great Britain and the United States were reported previously to have agreed to grant the committee de facto recognition if it seemed to them certain that De Gaulle and Giraud would compose their differences.

The announcement that agreement on procedure today will bring a conclusion to the various questions now pending which need to be solved urgently was interpreted as the most hopeful indication that the quarrel over military power between De Gaulle and Giraud might soon be solved.

The committee set no date for its next session.

KING GEORGE

CONTINUED FROM FIRST PAGE

George S. Patton, Jr., commander of American combat forces in Tunisia, visited Gen. Omar N. Bradley, commander of the United States 2nd Army Corps, Maj. Gen. Geoffrey Keys, commanding an armored unit, Maj. Gen. Mantion S. Eddy and Maj. Gen. Hugh Gaffey. As he reviewed one particular group of American troops, the King remarked to Major James D. Johnston of Barium Springs, N. C., commander of the King's guard, that the men's uniforms looked unusually clean. He asked how they were able to do it amid the dust and dirt which was inevitable in all North Africa camps.

Soap and Elbow Grease.

Johnston replied promptly: "With lots of soap and plenty of elbow grease, Your Majesty."

The King asked if these units had suffered very heavy casualties in the Tunisian fighting. He said he had visited a convalescent hospital the previous day and seen himself what good care the wounded were getting.

The King then placed a wreath at the base of a flagstaff in the American cemetery.

It was another big day for Sgt. Frazier Woodward of Alabama, Ga., who supervised the cooks that prepared the luncheon for President Roosevelt when he was in Africa. The Army cooks won the President's praise and the King was no less outspoken in his praise.

Aiding Woodward were James R. Knox, Pittsburgh, Pa., W. J. Sabagaskalk of Dairiel, S. C., Pfc James Nelson of Fort Pierce, Fla., and Pvt. Gilbert Lattimore of High Point, N. C.

Combined Menus.

Under Woodward's direction they prepared a luncheon that combined some of the best features of southern cooking and British menus. The main course was roast beef that would have done credit to the best Piccadilly chef. Then came creamed corn, string beans, canned fruit salad and hot biscuits that were light as cotton balls. Tea was served instead of coffee.

After luncheon American combat teams gave a demonstration of street fighting and others went through special training exercises. The men went at it so hard one of the officers was asked if they were putting extra verve into their work because of the King's presence.

The officer replied: "No sir, that's the way they always do it. They know they're pretty hot teams and they like to prove it every time they get a chance."

The King's chauffeur during the tour was a British army sergeant, but he is an American from Bridgeport, Conn. He is Sgt. J. A. Wells who enlisted in the British forces in 1916 and "has been in and out of the British army ever since. The sergeant said he often thought of transferring to the American forces "but I might not get quite such a good job so I guess I'd better stay where I am."

Sick and Convalescent.

Miss Olivia Rogers underwent tonsilectomy Thursday morning at the Waters Clinic.

Mrs. W. E. Brown is a medical patient in the P. and S. Hospital. Calvin Renfrow was resting nicely today following an emergency appendectomy Wednesday night at the P. and S. Hospital.

Mrs. J. L. Gaines was dismissed today from the P. and S. Hospital where she has been a patient for several days.

Mrs. Howard Lee has been discharged from the P. and S. Hospital.

J. W. Simmons, 61, Kerens farmer, was resting comfortably Thursday at the P. and S. Hospital following treatment for a dislocated and fractured left hip suffered when he was run over by a tractor Wednesday.

Mr. and Mrs. Bob Mayo, Jr., became the parents of a daughter Wednesday night at the Corsicana Hospital and Clinic.

J. W. Lawton was dismissed Wednesday from the Corsicana Hospital and Clinic where he has been a medical patient since Monday.

To Train Turkish Fliers Here.

ANKARA, June 16.—(Delayed)—Eleven officers of the Turkish air force will soon arrive in America to begin advanced training with the United States air forces, it was disclosed today.

Social Revue

Mrs. Mary Allen of the Crippled Children's Division, State Department of Education, is accompanying Mrs. H. G. Brown, Navarro County chairman of crippled children's work, on an inspection tour of local patients this week.

Mrs. A. A. Allison has arrived in Van Rensselaer, Indiana, to spend the summer with her daughter, Mrs. J. W. Wright, and family.

Mrs. Luther Johnson of Washington, D. C., arrived in Corsicana on Monday afternoon for a visit in the home of Mr. and Mrs. W. P. McCammon and other relatives.

Rev. R. Otis Sory, district superintendent of the Corsicana district of Methodism, has returned from two weeks spent at the pastors' school at Southwestern University, Georgetown. Rev. Mr. Sory, who is a director of this school, was an under-graduate instructor at the school.

Miss Esma Cook spent the weekend with relatives at Powell and Kerens.

MEDITERRANEAN

die East bases yesterday to attack enemy shipping in the Aegean Sea. A Cairo announcement said three sailing vessels were sunk in an island harbor.

The Middle East communiqué also reported a Junkers-88 was destroyed by an RAF night fighter off the coast of Tripoli during Tuesday night. No planes were lost in these operations, the bulletin said.

The Italian communiqué, recorded by the Associated Press from a Rome broadcast, said German planes again raided Pantelleria yesterday.

(Rome asserted two allied planes were shot down into the sea off Southwest Sicily. It reported "limited" air actions were carried out against several localities in Calabria and Sicily.)

Glassford In Dakar.

LONDON, June 17.—(AP)—The Algiers radio reported today that Vice Admiral William A. Glassford had arrived in Dakar to take up a post as President J. Roosevelt's personal representative in French West Africa.

NEW YORK, June 17.—(AP)—Allied aircraft have scored a 3-to-1 victory in the Mediterranean, says Maj. Gen. George E. Stratemeyer, who discloses that since April 15 the Allies in North Africa and Middle East destroyed 685 enemy planes in the air and 252 on the ground while losing only 237. General Stratemeyer is chief of the staff, army air forces.

Gen. Tindall Sent to Ankara.

ANKARA, June 16.—(Delayed)—Brigadier General Richard G. Tindall, 51, has been appointed American military attaché in Ankara, it was announced today.

Tindall, a Missourian, replaces Col. Cornelius J. Jadin, of Washington, D. C., who was assigned to other duties after three years overseas as military observer in Rome, Sofia, and Ankara.

German Author-Poet Dies.

(By The Associated Press.)

A German broadcast reported today that Dr. Heinz Ewers, 72, German author and poet, had died in Berlin after a short illness. The broadcast was recorded by the Associated Press.

Ewers, a lawyer by profession, was interned in the United States during the last war, the announcement said.

DAWSON AND KERENS SOLDIERS REPORTED WOUNDED IN AFRICA

WASHINGTON, June 17.—(AP)—The war department made public today the names of 287 United States soldiers wounded in action in North Africa.

The list includes:

Texas—
Bates, Cpl. Thomas V.—Thomas Bates, father, Route 1, Somerville, Brown, Pvt. Everest H.—Mrs. Addie Brown, mother, 304 Wolf St., McKinney.
Cardenas, Pvt. Leopoldo R.—Mrs. Eloisa C. Marth, sister, 1012 Flores avenue, Laredo.
Dennis, Pfc. Irs R.—Mrs. Annie Dennis, mother, Plano.
Dingler, Pvt. Milton C.—Mrs. Dosie Dingler, mother, Route 1, LaRue.
Droke, Pfc. Raymond E.—Mrs. Lona Droke, mother, Route 2, Comanche.
Galbreath, Pvt. Theo P.—Sanford L. Galbreath, brother, Route 1, Timpson.
Gerald, Pfc. Joseph E.—Mrs. Helen Virginia Gerald, mother, Fairbanks.
Hobbs, Sgt. Louis D.—Mrs. Clara Hobbs, mother, 403 Cypress St., Colorado City.
Horn, Sgt. Altus M.—Ellis M. Horn, father, Dawson.
Houston, Pfc. Morris S.—Mrs. Mary Carl Houston, mother, Marble Falls.
Mikulenska, Tech. 5th Gr. Julius J.—John W. Mikulenska, father, Hallettsville.
Nieman, Sgt. Alvin L.—Mrs. Cora A. Nieman, mother, Woodstock.
Padia, Pfc. Eugene—Mrs. Mary

VISITING RELATIVES—Fred W. Rhodes, hospital apprentice, first class, USN, son of Mr. and Mrs. L. W. Rhodes of Mexico, and a nephew of Mrs. T. B. Dixon, Corsicana, is visiting friends and relatives in this section. He is attached to the Naval medical corps and is stationed at the U. S. Naval hospital in San Diego, California.

Padia, mother, Wharton.
Ramirez, Cpl. John Z.—Daniel G. Ramirez, father, Box 420, Victoria.
Trevino, Pvt. Ernesto G.—Mrs. Angela Trevino, mother, 1417 Madison St., Brownsville.
Uzman, Sgt. William W., Jr.—William Wayne Uzman, Sr., father, Route 4, Longview.
Webster, Pvt. Frank R.—Mrs. Celestia E. Webster, mother, 410 South 7th St., Memphis.
William, Pvt. Troy K.—Mrs. J. T. Andrews, sister, Route 2, Kerens.

aircraft bargages to make their getaway.

Ever since the offensive against Hitler's transportation has been stepped-up, trains have been outfitted with stronger flak protection.

In the February attack it was said that 600 acres of the city had been laid waste.

The RAF's attack last night undoubtedly was to nullify rebuilding efforts in rail and road communications and to smash repairs intended to put chemical works, ammunition factories, engineering and truck plants, power stations, blast furnaces and oil refineries back into commission.

Target of First Great Attack.
Cologne was the target for the first 1,000-bomber attack by the RAF on the night of May 30, 1942. In that one assault, 300 acres in the city were reported flattened and more than 250 industrial buildings destroyed or damaged.

(The German radio voiced its customary assertions that British bombers "attacked residential quarters in Western German cities" and said that "hospitals and schools were again the favored objectives of the enemy." It did not identify the targets but said at least 14 bombers were shot down.)

The current aerial offensive against the continent was begun last Friday by the Eighth U. S. Airforce which bombed Wilhelmshaven and Cuxhaven. The American navy bombers have not been out since Sunday, when they smashed Bremen and Kiel at a cost of 26 bombers.

Raiders Kept Up.
FOLKSTONE, England, June 17.—(AP)—A large force of Allied planes was heard heading across the Straits of Dover this afternoon into northern France. The aircraft flew at a great height and their roar was lost as they went toward Calais.

NAVARRO COUNTY BOYS BE GUESTS RECOGNITION DAY

Eight Navarro county boys will be guests Monday at recognition day at Camp Howe, Gainesville, sponsored by the army, for their production of vitally-important war foods. L. L. Bennett, assistant county agent, in charge of boys' work, announced Thursday morning.

The boys during the past year have exceeded the minimum of 1262 pounds of meat or its equivalent. The boys from all sections of the state will be guests at the room meal with the soldiers, will be shown through the camp and will see why the production of food is so necessary to the war effort.

The Navarro county youths are: Andrew Bonner, Corsicana, 22-500 pounds of pork; 10,800 gallons of milk.

Jack Burke, Corsicana, more than 1500 pounds of beef.

Billy Elmer Watson, Barry, 3-000 pounds of beef.

A. T. Smith, Jr., Corsicana, 43-302 pounds of beef reported and is feeding a large number of hogs at the present time.

Eugene Korman, Petty's Chapel, 2,000 gallons of milk, 1,200 pounds of pork and 800 pounds of beef.

Ocie Awalt, Dawson, 2,225 pounds of pork.

Charles Rhodes, Barry, 2,125 pounds of beef, 2,160 gallons of milk.

Charles Henry Harrison, Corsicana, above the minimum requirement.

UNITED STATES PLANE SUPPORT CHINESE

CHUNGKING, June 17.—(AP)—United States planes supporting Chinese forces trying to take the Hupeh province town of Owchih-kow caused many fires and extensive damage Tuesday, a communique from Lieut. Gen. Joseph W. Stilwell's headquarters announced today.

Owchihow is near the Yangtze River nearly 40 miles south of Shashi. Chinese forces reached its outskirts early this week.

The Americans attacked the warehouse area of the city at Lotus Pond inlet.

Greatly outnumbered American planes the day before destroyed six Japanese planes and probably destroyed three others in a battle southwest of Nanchang. The Americans suffered no loss.

The Chinese high command said that the Chinese had intercepted Japanese troops which had advanced eastward with artillery from Yangiowau, on the Canton-Hankow railway.

The Japanese presumably were trying to mop up Chinese who have been harassing the Yochow-Hankow stretch of the railway, down the Yangtze from Owchih-kow, with constant attacks. Press dispatches said the harassing attacks had totally disrupted traffic on that railway stretch.

RAF Attacks Burma Base.
NEW DELHI, India, June 17.—(AP)—Wellington bombers of the RAF lashed back last night with another attack on Buthadaung in Western Burma, the British announced today.

Coupled with that raid was the night bombing of the railway station at Myanaung, South of Proma, in Central Burma.

Earlier in the day, Mohawk fighter-bombers attacked Indaunggy in the Myittha Valley, and bombers and fighters joined to pound at Alet Maza and Sineh, on the Mayu Peninsula, completing their raid with low-level machine-gunning of the target area.

JAP PLANES
CONTINUED FROM FIRST PAGE

urday thrust with fighters alone failed to completely.

It was not clear, however, on the basis of available information why the Japanese should be directing air forces of such considerable size and suffering losses at so great a rate into the Guadalcanal area.

One explanation widely mentioned in speculation here is that the Japanese believe Guadalcanal will play an important role in the next big American push and are trying to disrupt operations there as much as possible, primarily as a defensive measure.

An earlier navy communique today related that on June 15, during the morning, navy dive bombers and torpedo bombers, escorted by fighters, attacked Japanese positions in Western New Georgia Island. Fires were started and heavy explosions were observed.

The following morning, navy dive bombers, escorted by fighters, attacked Japanese positions on Choiseul Island, starting fires.

In the North Pacific, said the bulletin, during the afternoon of June 15, navy medium bombers attacked Kiska. Hits were scored in the main camp area, along the runway and among anti-aircraft batteries.

The navy did not define the area embraced in the term "Western New Georgia Island," but it was assumed that it is about the same as that ordinarily called the "Munda" area.

Choiseul Island is a long, narrow strip of land extending between the center and the northwestern Solomons. It has been attacked previously.

DR. F. E. SADLER HAS ASSUMED DUTIES AS HEAD HEALTH UNIT

FORMER SUPERINTENDENT VETERANS HOSPITAL SULPHUR, OKLA.

Dr. F. E. Sadler assumed his duties as director of the City-County Health Unit Tuesday and planned to confer with the city commission and county commissioners court and others this week.

The new director was reared at Bonham, Texas, and is a graduate

WOUNDED—Lt. Wm. B. Frost, U. S. Army, was wounded in action, May 26, in the North American area, according to a telegram received by his parents, Mr. and Mrs. M. M. Frost, Wortham Route 1. This was the first word of him since a card written May 2 was received stating he was somewhere in the Pacific, safe and well. The telegram said Lt. Frost was slightly wounded, but did not give any other information. A graduate of Wortham High where he was an all-around athlete, Lt. Frost formerly was employed at the Stroud-Dockum Grocery Company here, and was a well-known amateur baseball player.

of the University of Tennessee Medical College. For the past eleven years, Dr. Sadler had been superintendent of the State Veterans Hospital at Sulphur, Okla., and was in public health work in Oklahoma before becoming connected with the hospital. He has been at Tyler with the unit there for the past two weeks.

Dr. Sadler resigned as superintendent at the Oklahoma hospital to accept the post here, it was stated.

His wife will join him within a few weeks. She is visiting their son, head of the department of justice office at Denver, Colo., at the present time. Two married daughters reside in Oklahoma City.

Dr. Sadler is a Legionnaire and has been active in Oklahoma American Legion circles. He succeeds Dr. Will Miller, acting director, in charge of the local unit since the recent resignation of Dr. L. A. Proctor, who has returned to private practice in Kansas.

Monthly Report City County Health Unit

A varied assortment of activities during the month of May is contained in the monthly report of the City-County Health Unit.

Miss Gedyce Lewis Of Malakoff Weds Linden E. McAfee

The marriage of Miss Gedyce Lewis, daughter of Mr. and Mrs. G. C. Lewis of Malakoff, to Linden E. McAfee, son of Mr. and Mrs. LeRoy McAfee of this city, took place on Friday afternoon at 4 o'clock at the parsonage of the First Methodist Church, with Rev. Erwin F. Bohmfalk officiating at the single ring ceremony.

The bride wore an afternoon dress of poudre blue, accessorized in navy and white, and a corsage of white carnations.

The bride's only attendant was her sister, Miss Letha Lewis, who served as maid of honor, and was attired in a navy blue sheer with navy and white accessories, and a corsage of white carnations.

The bridegroom was served by Estelle Matthews of Longview as best man.

The bride has attended Sam Houston State Teachers' College, Huntsville; North Texas State Teachers' College, Denton, and Stephen F. Austin Teachers' College at Nacogdoches, and during the past year has taught in the Bryan school at Drane.

The bridegroom attended Corsicana high school, and has been salesman for Tom's Tonsted Peanuts for the past several years.

The young couple will be at home temporarily at 1925 West Seventh avenue.

The bridegroom attended Corsicana high school, and has been salesman for Tom's Tonsted Peanuts for the past several years.

Open House Sunday Planned to Announce Wedding of Daughter

Mr. and Mrs. O. E. Causar of Cayuga held open house Sunday afternoon to announce the marriage of their daughter, Omario, to James H. Couch, son of H. M. Couch of Ore City.

The date of the wedding was revealed when a refreshment plate of punch and cookies was served from a small bomber trimmed plates bearing the date, May 29.

Mrs. Couch was graduated from Navarro high school and received her bachelor of science degree from North Texas State Teachers College. She is employed by the War Manpower Commission and is at home in Tyler.

Mr. Couch was graduated from Gilmer high school and received his degree from B. M. L. Longview. He is now stationed at the Chico Army Air Field, Calif.

DALLAS, June 16.—George Rufus Benfield, admittedly the collector of 2,000 of other people's chickens, Tuesday collected 34 years in the court of District Judge Henry

King. Benfield entered pleas of guilty to indictments for auto theft and two burglary charges.

The prisoner recently was given 10 years at Waco, and is under a five-year parole from a Louisiana federal court, local officers point out.

Benfield's operations in the chicken theft cases are said to have extended over several counties in this area, including Navarro county.

GOOD CHEER FOR SOLDIER PATIENTS IN BASE HOSPITAL

COLLEGE STATION, June 17.—(Sp.)—Home demonstration club women in 19 central and west Texas counties have been helping meet the recreational needs of service men in their vicinity. These 4,000 club women pooled their efforts through their local county home demonstration councils to assist men who are patients at the Camp Bowie Army base hospital near Brownwood.

From club women, the recreation center of the Camp Bowie hospital has received eight card tables, two divans, four end tables, three smoking stands, two magazine racks, a floor lamp, three serving trays, 13 pairs of book-ends, flower vases, 26 waste baskets, and 413 ash trays. To provide reading matter, the women furnished 118 books, plus two Bibles, and gave subscriptions to 15 magazines. Supplies contributed for use during parties and other entertain-

ments included 682 water glasses, 305 cup towels, 155 candy and bon bon dishes, and a variety of other utensils. Other recreational gifts were 50 decks of playing cards, a radio, 135 phonograph records, and 136 games including checkers, dominoes, jigsaw puzzles, chess, Chinese checkers, bingo, and croquet.

For the comfort of the patients, the women provided 56 lap robes, 77 pillows, 87 pillow cases, and 816 individual gifts, varying from sewing kits to hair tonic.

Corporation Court.

An indirect result of the rioting in Beaumont was recorded here Wednesday when Officers John Blair and O. E. Barker answered a call to the Union Station, according to the police blotter Thursday morning. A negro soldier was at

the station en route to Louisiana via Beaumont with a ticket on the railroad, but had orders from Washington for "no negro soldiers to pass through Beaumont at this time." The soldier wanted his money refunded for the unused portion of his ticket, and the police report said the agent promised to refund the money.

Two doors were found unlocked. A negro was arrested in connection with the theft of three fishing poles at Sears Roebuck and drew a \$5 fine in Corporation court. The poles were recovered.

Jimmie Lorimer reported a 13-plate Willard battery stolen from his filling station at South Beaton street and West Seventh avenue. Three were cited on overparking tickets Wednesday.

HEALTH, BEAUTY AND POISE

HOW TO IMPROVE YOUR PERSONALITY
By VERONICA DENGEL

CORRECT FOODS FOR EYE HEALTH

Eye health can be improved by careful attention to the diet. After all, the eyes are a set of muscles and tissue, just as is the body, and if proper food habits are observed, much can be done to improve the vision. I am sure you have all read about the importance of Vitamin A as an aid against night blindness, or slow adjustment to sudden changes in light. Such foods as fish, oils, milk, dairy products, fruits and leafy vegetables are good sources of Vitamin A.

Mineral rich foods are also important in helping to keep the eyes normal. Foods that contain calcium, phosphorus, potassium and chlorine are of particular value in this instance. Perhaps it will help if I give a list of foods that should be freely used if you wish to "feed your eyes."

Calcium foods are: Milk, spinach, raw eggs, cabbage, radishes, endive, oranges, lemons, coconuts, Swiss cheese, cottage cheese. Phosphorus foods are: Lemons, grapefruit, cauliflower, lentils,

spinach, asparagus, radishes, beans, celery, lettuce, fish, walnuts.

Potassium foods are: Beet tops, celery, tomatoes, parsley, broccoli, carrots, peaches, spinach, cherries, endive, watermelon.

Chlorine foods are: Carrots, salt fish, goat cheese, dried beef, egg yolk, lentils, sauerkraut, spinach, radishes, lettuce, asparagus, Roquefort cheese.

You will notice that the Vitamin A foods are among those mentioned in the lists above. And you will notice that several of the foods are shown as being excellent sources of more than one mineral salt. Spinach, as an example, is shown in all groups; radishes in three groups; and several vegetables and cheese in two groups. It should be quite easy for you to plan satisfactory menus that will include these foods, but as a help, here is a typical day's outline:

When you arise, have a glass of hot water with the juice of one-half lemon added.

Breakfast—A full glass of orange juice. A full glass of milk (of you are underweight, add a raw egg yolk).

Mid-morning: A vegetable juice cocktail made from the juice (extracted with a vegetable juicing machine) of raw vegetables—not

CITY TO COOPERATE WITH COUNTY KEEP VAGRANCY REDUCED

PLAN SECURE GERMAN PRISONERS OF WAR TO WORK ON CITY PROJECTS

A resolution that the police department cooperate with the county in reducing to a minimum vagrancy and loitering around amusement places by persons not at work in an effort to aid the farm labor shortage was passed Tuesday afternoon by the city commission. Authorization for the signing of a contract for German prisoners of war to work on city projects, the offer of retirement of a policeman, suggestions that the city be rid of stray dogs, reports on work, request to owners of vacant lots to cut the grass and other matters were considered.

All members of the commission were present except Harry Burke, Defense Guard.

Harold Blankenship appeared in the interest for the renewal by the city of the \$15 per month donation to the local Texas Defense Guard unit. The commission agreed to pay that amount each month during the remainder of the fiscal year. Blankenship said there were 48 men in the local unit and 34 more were needed. Navarro county makes a similar donation, it was stated.

War Prisoners to Work.

Mayor John C. Calhoun and City Secretary J. P. Welch were authorized to sign a contract with the federal government for the securing of German war prisoners for work on city projects. The first work will be repairing the dam at Lake Herbert, it was indicated.

Mayor Calhoun said that the Corsicana Chamber of Commerce was working on a deal whereby 300 of the war prisoners would be located at the fair grounds to be worked on contracts with farmers during the labor shortage.

The resolution whereby the police department was authorized to cooperate with county authorities in reducing vagrancy and loitering as an incentive to send labor to the farms directed the police officials to use all authority vested in law in co-operation with the movement to relieve the farm labor shortage. The motion was made by Commissioner Fullwood and was seconded by Commissioner N. F. Garrett.

J. S. Millerman, deputy tax collector, who has worked in the delinquent tax division several years, asked leave of absence until Sept. 1, 1943, without pay, and will be paid for the month of June in the motion passed.

A motion was passed for the retirement of Ed Sheets, policeman here for more than 50 years, July 1, 1943, at a salary of \$50 per month. The retirement motion, however, stipulated it was passed, subject to the approval of Mr. Sheets.

Construction Men Wanted In Seabees

Chief Petty Officer F. A. Wade, USN, with headquarters in Waco, was in Corsicana Wednesday seeking construction men to enlist in the Seabees.

A motion with construction experience between the ages of 18 and 35 can request voluntary induction for Navy Seabees and continue doing the same type of work they have been doing in civilian life. Wade said, "A real opportunity to use your skill and trade under a new plan approved by the joint Army-Navy Personnel Board which states that men 17 and 28 to 50 can volunteer for the Seabees."

The training and experience in the navy construction methods will help plenty of men get jobs after the war is won," said Wade.

Apply at the U. S. Navy Recruiting Substation, 212 Post Office Building, Waco. Wade said he would be in Corsicana at the local postoffice each Wednesday between the hours of 1 and 5 p. m. where he will interview applicants and explain the complete enlistment procedure.

Build A Home Dehydrator

OIL STOVES Heats home dryer.

AP Features

These are the basic instructions for building a home dehydrator as recommended by the Department of Agriculture.

Construct the dryer from inside measurements.

Sides—Build two frames, with one brace flush with top of up rights, one brace 36 inches from top and one brace 10 inches from bottom. On these frames nail boards to a depth of 36 inches.

Tray Runways—Nail one tray runway 6 inches from top of wall. Place the remaining six 4 inches apart. Place the two side walls upright. Measure width of dryer, cut lumber accordingly for rear wall and top. Nail one 3-inch piece on top at door end. Allow a 3-inch Lumber For Dehydrator

Posts and braces:
3 pieces, 2"x2"x10'
Door frames and braces:
2 pieces, 1"x2"x9'

Sides, tops, and back, and door:
6 pieces, 1/2"x6"x10'
1 piece, 1/2"x3"x2'

Runways:
3 1/2 pieces, 1"x1"x10'

Tray frames:
12 pieces, 1/2"x1"x8' (or 25 laths

Chimney:
2 pieces, 15/16"x20"x1/4"
2 pieces, 18"x4 1/2"x1/4"
plywood
2 pieces, 19 1/2"x2 1/2"x1"
lumber
1/2" quarter-round 65'

opening as shown, for escape of steam.

Rear Wall—Cover rear wall to a depth of 36 inches and nail a brace 10 inches from bottom.

Door—Nail 1- by 2-inch brace to frame, even with lower edge of side wall. Build door to fit.

Insulation—Fit into the sides, top, back and door around the actual drying chamber pieces of 1-2 inch celotex or other insulation.

Chimney—Attach each of the 1-inch wood pieces at right angles to one of the large plywood pieces across the side at bottom. Turn so the L's face outward with inside walls parallel and fit the 4-1/2 inch pieces between the L-shaped pieces, tops even. Nail in place to form an oblong box 20 by 51-8 by 15-3/4 inches, open at the top and bottom. This chimney slips on over vent in top of dryer.

Apron—Enclose space between lower braces and upper insulated walls with one layer of fireproof material. Do not nail the front piece in place. It must be removable to allow for placing the heater.

Trays—Cut 28 pieces of lumber 1-2 by 1 by 23 inches and 28 pieces of lumber 1-2 by 1 by 13-1/2 inches for tray frames. Place quarter-inch mesh galvanized wire screen on strips and four similar strips over the screen. Nail together.

Heat Spreader—On inside of dryer, 6 inches from corners and 3 inches above the lower edge, suspend, by pieces of wire, a 12"x18" piece of sheet iron.

Heat the dryer for 20 to 30 minutes before putting in the trays. Place thermometer on bottom tray. Shift trays every hour.

GREATEST WEAPON OF WAR STILL WAITS FULL TRIAL *

Spiritual Resources of United Nations Not Fully Used—Crusading Passion of People Yet to Be Aroused—Shall We Hate Our Foes?—Force As An Instrument of Love.

By WILLIAM T. ELLIS

Queen Elizabeth, in her recent broadcast, pleaded powerfully for a spiritual basis for the war effort. She sees, more clearly than most persons, that the struggle will have been in vain, and but a prelude to further war if it is only a thing of hate and force. Looking beyond the day of unconditional surrender, the noble queen perceives that only the help of the living God, and the character-quality of the victorious people, can give us the new world that is an expression of the Kingdom of Heaven.

A surprising number of persons with whom I have talked recently are concerned over our failure to use the greatest of all available weapons, a crusading spiritual passion. People generally have not been awakened to a realization that the real issue at stake is really religious. On the one side are the mighty hell-borne forces of cruelty, of hatred, of falsehood, of oppression, of soul-destroying materialism and nationalism. On the other side are nations rallied to the Bible-borne ideals of liberty, justice and good will. This is surely as sound as any generalization can be freely granting that there are good people in Germany and bad people in the United Nations. But the essential line up is as indicated.

War Not a Game

Day by day many of us read the war news as if it were a great gladiatorial spectacle, staged for our entertainment. Its reality and significance have not yet penetrated our spirits. Our minds are befuddled as to the vitality and vastness of the central issue. We hardly reckon with God's stake in the conflict. Nor do we perceive that all the profoundest concerns of life—the sort of men and women that we are to be; the governments under which we are to live; and the standard of life we are to follow—are involved in this war.

Thus we are engaged in a life and death struggle. The mind and mood of the people are really the ultimate weapon. We talk vaguely of "secret weapons" to be devised and used. But there is no secret about this most powerful of weapons. When people's hearts are stirred to new and intense conviction and consecration; when all as one perceive the greatness of the spiritual issue at stake; then we shall have an irresistible force concentrated upon victory. Day by day it should be the concern of every patriot to do his part toward reaching what are really the goals of God.

Practical Preparedness

This urge of spiritual passion for which we plead as the last and greatest resource of all who would help make a better new world flows directly from the Bible. It is in our Lesson today. Its first movement is a recognition of the reality and authority of God. Our present problems help us never to waver until we accept the living God as the essential factor. We are getting on with the war's highest aims when we come to personal terms with God. No aspect of the present struggle is more promising than the widespread spiritual interest reported among the men of the armed forces, and among the public at home.

John, the author of the Letter that is our present text, kept close to God, even as he had been nearest to Jesus on earth. He based all his teachings upon God, revealed in His Son, Jesus Christ. Out of the roaring life of the great heathen city of Ephesus came this treatise upon the practical aspects of a life lived in fellowship with the Divine.

John may complain that our modern civilization is not conducive to spirituality should recall the hostile environment of the writers of the New Testament.

John was a realist. He never blinked the fact of sin. It is no rose-water religion that this Letter portrays. Many persons, with kinks in their brains, think that life consists from A to Z of material things and of physical sensations. Our author, however, is clear that a man's spiritual condition and attitude is all that really matters.

Hot Shot For Hypocrites

The Apostle of love, this gentlest of saints, did not hesitate to lash out against those persons whose outward Christian professions were but a cloak for sinning. He used the short ugly word; as "He that knoweth Him, and keepeth not His commandments, is a liar, and the truth is not in him." Over and over again, John's letter reverberates to the hidden reality of sin. Therein he parts company with many modern teachers, who regard sin as merely experience.

Under my hand lies a recent pamphlet from the Russian Embassy, portraying, in text and in photographs, some of the sadistic German atrocities. It makes one cringe to read it. In the face of what is going on in the world today, who will dare say that sin and Satan are not present realities? There will have to be Christian conversion, as well as United Nations conquest, before we have a new world fit to live in. Christianity will have to clean up and rise up.

Shall We Hate Germans?

Several months ago The New York Times published an article bitterly advocating hatred for all Germans and their allies. It aroused nation-wide comment, and stirred multitudes to a fresh awareness of the Christian teaching of love. We may hate the evil which the Axis has done, and the diabolical aims for which they stand, but the human beings, embroiled though they have become by following wicked leaders are yet to be eventually loved as brothers. A new world cannot be built upon hate. For hate is a soul-destroying passion.

Force may be an expression of love. Thus society sets up courts of justice to apply laws that are really beneficent. The mother who spans her disobedient son loves him none the less. She is too loyal to him to let him continue in wrong doing. Without hatred, and with only benevolent purposes, we may pursue this war until it ends in a better manner of life, wherein brotherliness prevails. John's stern word, in our Lesson, is "He that loveth not abideth in death."

This aged seer saw life in its uttermost reality which is love. No sentimentalism, he, as he exhorted, "Dear children, let us not love in words only, nor with the lips, but in deed and in truth. God is love, and he who continues to love continues in union with him."

This wave of love, and of a holy passion to serve mankind is war's great unused weapon.

SEVEN SENTENCE SERMONS

It may be a fire; on the morrow it will be ashes—Arab Proverb.

It is a comely fashion to be glad; joy is the grace we say to God—Jean Ingelow.

However it be, it seems to me, 'Tis only noble to be good—Kind hearts are more than coronets, And simple faith than Norman blood.—Tennyson.

God's capacity for forgiveness is as great as His capacity for love.—H. I. Sullivan.

But if we walk in the light, as he is in the light, we have fellowship one with another, and the blood of Jesus, His Son, cleanseth us from all sin.—I John 3:1-11.

He's true to God who's true to man; wherever wrong is done To the humblest and the lowly, 'neath the all-beholding sun, That wrong is also done to us; and they are slaves most base, Whose love of right is for themselves, and not for all the race.—James Russell Lowell.

But it is better to follow even the shadow of the best than to remain content with the worst.—Henry van Dyke.

The Sunday School Lesson for June 20 is, "John Describes True Christians"—I John.

UNITED STATES GOVERNMENT PRINTING OFFICE: 1942

DEPUTY CONSTABLE FOR PRECINCT NO. 1 APPROVED BY COURT

George T. Brown, former deputy sheriff, was approved as deputy constable for Precinct 1 Wednesday morning at a recessed meeting of the commissioners court when the application for the deputation was allowed as presented by T. J. Roe, constable. The motion was made by Commissioner Jim Taylor, seconded by Commissioner L. M. Seale. All voted aye.

A bill presented by the Hillsboro State Bank for \$184.99 for grease and crocote purchased in July, 1942, for Precinct 3, was finally paid. Commissioners Fred M. Copeland said the grease and crocote had never been turned over to him and he knew nothing about the matter. The purchase was made by Commissioner C. O. Slaughter, it was stated, and prior to his retirement from the court, had said Commissioner Copeland, the incoming commissioner, could either use the products or return them to the purchaser. It was brought out in the discussion, Copeland said he had never received the merchandise in question. The matter of the purchase was chased from an oil firm, it was stated, and the bank had been assigned the claim.

The court passed a resolution for the modernizing of the ladies rest room on the first floor of the court house as a part of the renovation program now being carried out at the court house.

Discussion was held relative to a proposal of selling optional bonds of Rice and Kerns school districts but no action was taken. Crummer and Company, bond concern, is seeking \$24,000 in optional school bonds, not due now, and proposed to pay a premium of \$1,527.60. There are \$8,000 of Rice and \$16,000 of Kerns optional bonds. The optional bonds bear five per cent interest and are now owned by the Navarro county permanent school fund. The \$24,000 refunded bonds offered to county in exchange are from the Dawson independent school district and bear 3.5 per cent interest.

The court is expected to begin sitting as a board of equalization next week.

ANNUAL SEMI-PRO BASEBALL TOURNAMENT WILL OPEN IN WACO

WACO, June 17.—(AP)—The eighth annual Texas semi-pro baseball tournament will open here July 22. Army and navy outfits are eligible to compete without winning district meets and among the teams already entered is Waco Army Flying School, boasting four major leaguers in the lineup and managed by Birdie Tebberts, the former Detroit star catcher.

This may be the first time when Texas can cash in at the national tournament in Wichita, Kansas, where this state has had six finalists but never a champion.

The Waco Army Flying School team is one of the best ever to play in Texas.

The most noted player produced by the semi-pro tournament was Tex Hughson, who pitched for Eddy in 1936. He now is one of the top hurlers of the major leagues.

District tournaments are scheduled at Dallas, Fort Worth, Houston and San Antonio. One already has been held at Abilene.

Funeral services for Major T. Horn, 62, prominent Corsicana architect, who died Tuesday night, were held at the Sutherland-McCammon funeral chapel at 5 o'clock Wednesday with Rev. W. R. Hall, pastor of the First Presbyterian church, conducting interment in Oakwood cemetery.

The son of the late Mr. and Mrs. L. R. Horn, he was born in Tennessee but had lived in Corsicana most of his life, where he was associated with H. O. Blanding for a number of years.

Mr. Horn is survived by his wife, one daughter, Miss Catherine Horn of Dallas one; sister, Mrs. T. G. Beckett of Dallas; and one brother, Frank Horn, of Dallas.

Palbearers were Robert Irvine, Robert Douglas, H. O. Blanding, Dr. R. N. Holloway, Hayes Bonner, Wirt Robinson and Robert Davidson. Honorary palbearers were friends of the family.

President May Name Sports Commission

WASHINGTON, June 17.—(AP)—President Roosevelt was reported by a prominent sports figure today as having decided on appointing a committee of one civilian and one representative each from the army and navy to attempt a solution of the war-born problems confronting organized sports.

This source, who asked to remain anonymous, said he had been told that the civilian under consideration was a man more closely identified in the past with political than sports circles.

Croat Leader Shot as Hostage

LONDON, June 17.—(P)—The Yugoslav government-in-exile reported today that Pashko Kuterla, one of the leaders of the Croat peasant party in Dalmatia, had been shot as a hostage following the assassination of the Italian vice prefect, Giovanni Savo, by patriots last March.

Repair for Longer Car Service

Your motor is the heart of your car and frequent check-ups are necessary to keep it running trouble-free. Our mechanics are qualified to keep it tuned and to make repairs that will keep your car on the road safer—and longer.

FUNERAL RITES FOR J. E. HORTON HELD TUESDAY

J. E. Horton, 72-year old Ellis county farmer, died at his home Monday night and funeral services were held at the Alma Methodist church at 4:30 Tuesday afternoon. Interment was in the Alma cemetery with the Ennis Masonic Lodge in charge at the grave.

He is survived by seven sons, C. F. Horton of Bakersfield, Cal.; R. Horton of Ennis; R. K. Horton of Alma; A. M. Horton of West Columbia; T. L. Horton and J. H. Horton in the U. S. Air Corps in foreign service; four daughters, Mrs. R. L. Shifflett of Ponder, Mrs. Walter Baumgarten of Corsicana, Mrs. Hugh Bell of Rice, and Mrs. Joe Tyler of San Antonio; two brothers, Dr. A. C. Horton of Brownabro, and Hester Horton of Murchison; one sister, Mrs. Byrd Porter of Murchison and 26 grandchildren.

Corley Funeral Home had charge of arrangements.

PROGRAM ADOPTED FOR AIDING FARM LABOR CONDITIONS

The program suggested at a recent county-wide rally relative to the farm labor situation and proposals to remedy the conditions were adopted at the first meeting of the Navarro County Labor Advisory Committee held at the chamber of commerce Wednesday afternoon.

The committee stressed the efforts to secure the services of German prisoners of war now at the internment camp near Mexia as perhaps the best solution, and voted to co-operate fully with the program being sponsored by the Corsicana Chamber of Commerce in getting several hundred prisoners located at the Corsicana Livestock and Agricultural Fair grounds.

H. C. Robinson, county agent, states a clerical set-up, paid for by the U. S. Government, is to be provided along with field workers as a clearing house for farm labor and to assist the program in any manner possible.

The committee is composed of O. L. Albritton and R. L. Harris, both of Corsicana; G. E. Moore, Frost; M. S. Miles, Rice; Sam Rowe, Kerens; J. W. Richards, Richland, and C. O. Weaver, Dawson.

Brother of Frost School Head Dies

SCADSFORD, June 16.—Funeral services were held here Tuesday afternoon for Harlan S. Harrison, aged 42 years, who died Monday morning. Burial was in the local cemetery.

Surviving are three sisters and four brothers. One brother, W. F. Harrison, is superintendent of the Frost school.

Willy Pep Now In Navy.

HARTFORD, Conn., June 17.—(AP)—Little Willie Pep, who has been defeated only once in nearly 70 professional fights, was in town today for the biggest battle of his career—as a member of Uncle Sam's navy.

Willie, who holds the New York Boxing Commission's version of the World featherweight championship, was sworn into the navy yesterday at the Hartford induction center.

PROMOTIONS LOCAL TEXAS STATE GUARD UNIT ANNOUNCED

Promotions in the local unit Texas State Guard, effective June 1, were announced Wednesday. Byford L. Cook was transferred from Headquarters Detachment to Company A, where he was promoted from the rank of First Lieutenant to Captain. John H. Robinson was promoted from Second to First Lieutenant. Wm. E. Stewart from Sergeant to Second Lieutenant. Both in Company A. George S. Fritz was promoted from the rank of Technical Sergeant to First Lieutenant in Headquarters Detachment.

Colonel Carl L. Capton, plans and trainings officer of military staff Texas A. and M. College inspected the local unit Monday night, as a routine inspection of the 37th battalion being made this week.

Companies being inspected are in Kerens, Abilene, Palestine, and Crockett, and Corsicana. Other inspections are being made by Major Breland and Major Leneare, who are also attached to military staff at A. and M.

The following statement was made by Captain Joe M. Daniels in urging Corsicana men to join the Texas State Guard: "It is as much a service to the government to belong to the Texas State Guard as it is to buy defense bonds or to work in a defense industry."

"The training and potential service rendered by the Guard is definitely for the benefit and protection of the civilian population at home."

Local Patrolmen Called Beaumont.

Byron Currin and Frank Jirek, highway patrolmen stationed in Corsicana, were ordered to Beaumont early Wednesday morning incident to the rioting there involving negroes and whites, it was learned here.
